*"To promote and encourage social and competitive swimming for all"*

## **SWIMMING SEASON 2018-2019' SPONSORSHIP PROPOSAL**

Dear \_\_\_\_\_,

Mildura Swimming Club are delighted to present your business with some proposed sponsorship options, for the benefit of business exposure for the soon to commence 2018-2019 swim season.

We are most excited for the new swimming season ahead, we currently have 45 plus members some of whom have been achieving some great results, competing both locally interstate and at national competitions. Our clubrooms and training are conveniently based at the Mildura Waves Complex, of which from Nov. 1<sup>st</sup>, 2018 will be under the new management of Aligned and the Richmond Football Club. Mildura Swimming Club are very much looking forward to working closely with the new Waves management team to further promote swimming in our community.

Our volunteer committee consider its role is to provide a fun supportive environment for all its members. Our coach's main objectives are to teach and develop important skills in our members whilst providing a platform to experience the value of sportsmanship.

Some goals we have set to achieve for 2018-2019 season will see us apply for local grants for funding further clubroom upgrades, new training equipment and the purchase of a new Sponsorship Designed Sunshade to be utilised on pool deck. Further application work to acquire and upgrade to new state of the art diving blocks, will also continue. Such a project will enable Sunraysia to host larger competitive qualifying swim meets.

With this we would like to invite you to consider the below outlined sponsorship options and hope a partnership with us can benefit your business exposure in our community while guaranteeing swimming continues to prosper in district.

Please contact one of our listed committee members to discuss a tailored sponsorship for your business.
